Hi, Evan.

Next week, I'm available to meet:

Monday: 9-11:30 AM or 1-3 PM

Thursday: after 3:30 PM

Friday: 9-10 AM or 12-2 PM

A deadline for beta testing of the end of the month would be great if that's realistic for you. My timeline is pretty off due to the curveball thrown at me at the beginning of the semester, but here it is for your reference. I think we will still be fine.

Months/Year	Activities
June 2025	Submit IRB application
July – August 2025	Develop outreach materials and online platform, coordinate with partners
September 2025	Launch online platform; begin caregiver recruitment, and orientations (pending IRB approval)
October 2025 – March 2026	Facilitate peer exchanges, conduct monthly meetings, deliver first and second workshops
April – May 2026	Deliver third workshop, continue peer exchanges, collect caregiver and student feedback
June 2026	Complete final evaluation, reporting, and project summary preparation
